Pasadena PAL Highlights

SCHOOL YEAR

During the school year our main focus is academic success. Each member is assigned a Youth Advisor who monitors their academic progress throughout the school year. The goal of the Pasadena PAL Program is to help each member maintain a GPA of 2.0 or higher. This is achieved through tutoring, school visits, and mentoring from the Youth Advisors.

SUMMER

PAL offers its members a full summer program which includes swimming, beach trips, and cultural experiences. We also offer a variety of classes such as archery, horseback riding, golf, soccer, boxing, and zumba. In addition, we also have girls and boys discussion groups to talk about gender issues.
